Maggie Valley Club News

Summer 2010 Issue

MANAGER'S MESSAGE

It seems the summer is here! We've had some hot days, but looking forward to a cool-down. The Club is in full-swing and we've had a lot going on these past few months!

The condo auction went very well! As of now, there are only 3 units left! The majority of the units have closed, with only a few in the process of closing. We are looking forward to welcoming all 14 of our new owners to the Club!

Many clubs are facing a downturn in membership with this economy, but I am happy to say that not only do we have our condo owners as new members, we've also added 11 new members to the Maggie Valley Club family! See page 2 for a list of all our new members.

As many of you may know, Billie Green, our Real Estate broker has taken a new opportunity in Asheville. We are sad to see her go and wish her the very best! At this point, we are in the process of handing over our real estate products to the local Keller-Williams office, who will maintain our listings and show our cottage and townhome products. Kristin Dodd is still here on staff and will continue to serve as our Marketing Director and website administrator.

We do have a number of new faces here, though - most of you have met our Golf Pros, Scott Tuttle and David Critcher, our Activities Team Kristin Hawk, Whitney Tedder and David Hall and our interim Membership Director, Kaye Matthews. We are excited to have them as part of the team.

Carolyn Plott, our Membership Director out on maternity leave, welcomed a beautiful baby girl to her family on Thursday, June 3rd! Tyler Jean Plott is the newest addition to the Plott family and all are doing well. We are happy for Carolyn and wish her and her family all the best. Carolyn will be back at the end of the summer to resume her duties.

I'd like to thank members Ladonna Rollins and Bettina Dwyer for their efforts to create our Lending Library, located in the Club Room at the front of the Clubhouse. Feel free to stop by to borrow some books, or bring some of your own used books to stock up our library! We are also looking for another bookshelf if anyone has one they would be willing to donate.

To all our new members and those of you coming back for the summer, welcome, and as always, if you need anything or have any comments or suggestions at all, please do not hesitate to contact me.

Real Estate Information

After a successful auction of our Persimmon Point Condominiums, Maggie Valley Club & Resort is still progressing with its real estate development. Our townhome and cottage products have proven to be successful and we are excited to continue to build these quality products.

We have decided to take a proactive step in marketing our products and are pleased to announce that we will be working exclusively with Keller-Williams of Waynesville. Stan Holden and Rob Roland will be listing and marketing our properties and will begin working on-site within the upcoming weeks.

By working with Keller-Williams, a national real estate company with numerous offices and agents, we will be increasing our sphere of contacts and potential clients. We are confident that they will do a spectacular job of selling Maggie Valley Club & Resort and optimistic that our products will not only continue to sell but also to increase in value.
